PARTICIPATION AGREEMENT & CODE OF CONDUCT

for Athletes and Parents/Guardians

Team Values

Our B-CC Crew Team values are simple:

- **Work hard to go fast**
- **Stick together no matter what**
- **Care more about each other than we do about ourselves.**

These values are key to all the responsibilities and obligations that each athlete has to him or herself, the team, coaches, competitors, and all those they come into contact with while practicing their sport.

and other persons of authority. Team members are expected to exhibit good sporting behavior and to maintain a polite and respectful manner to all persons in all situations, in person and online.

Disrespect, abuse or improper behavior involving a teammate, a coach, a parent, a member of another team or a member of the B-CC community will not be tolerated and may establish the grounds for removal from the team. All team members are expected to be familiar with the standards of behavior included in this Code of Conduct, and any referenced in A Student's Guide to Rights and Responsibilities in Montgomery County Public Schools ("Student's Guide"), as they may be revised from time to time. Any behavior contrary to ethical, legal, and appropriate conduct standards, as set out in any B-CC Crew or any MCPS policies or rules, including any countywide disciplinary infraction referenced in the Student's Guide may provide the basis for suspension or removal from the team. The B-CC Head Coach, in consultation with the Board of Directors of B-CC Crew, has the ultimate authority over all questions of discipline arising out of any infraction.

This agreement outlines the specific expectations and procedures that follow from these values. Each athlete and one parent/guardian must read, sign, and return this document as part of a complete registration packet, to affirm that they understand and commit to all the terms in this agreement and code. **Coaches will not allow an athlete to practice, race or otherwise participate in B-CC Crew until the signed acknowledgment form has been returned to the B-CC Crew administrator (administrator@bcccrew.org).**

PARTICIPATION AGREEMENT & CODE OF CONDUCT for Athletes and Parents/Guardians

Parents are expected to show respect for team members, coaches, opposing team members and coaches, race officials, and other parents and spectators. They also are expected to volunteer to support the team. Parents should respect the informed decision-making of the coaches regarding participant qualifications, practice assignments, and boat and seat placement. Parents should conduct themselves appropriately and never use foul or abusive language with anyone in any way connected to the B-CC Crew community and its activities. Parents should be familiar with the rules of the competition and are expected to respect the integrity and judgment of race officials at all times. If a parent feels a need to communicate a concern regarding his or her child, a coaching decision or another rowing matter, the parent should contact the President in the first instance, who will help to resolve the matter. On race day, parents should be respectful of the need for athletes and coaches to focus on racing, and for safety reasons stay clear of the boathouse, boat racks, and dock area.

Drug, Alcohol, and Tobacco Policy

Alcohol and illegal drug use is strictly forbidden for all athletes participating on our team. Substance abuse runs completely contrary to both the wellbeing of our athletes and the spirit of the sport. Coaches are the primary enforcers of this team policy and are responsible for addressing violations directly with the athletes. The coaches have discretion in determining the consequences that violators will face.

Academic Eligibility Policy

Students must always strive to be in good academic standing while a member of the team. Students must attend all their scheduled classes in order to participate in a practice or race on that day. If the principal or designee grants an excused absence in advance for a prescheduled activity, or an unforeseen emergency, the student may participate on that day.

A student may not participate in a practice or race when he/she is serving an in-school or out-of-school suspension. The student becomes eligible to participate in team activities on the next school day following the suspension. A student may be suspended or removed from the team for excessive unexcused absences from school.

Inclusion Policy

The B-CC Crew team follows the official MCPS policy on inclusion, as follows:

1. All students who achieve fundamental eligibility criteria established by the Maryland Public Secondary Schools Athletic Association ("MPSSAA") and Montgomery County Public Schools ("MCPS") may try out for MCPS interscholastic athletic teams.
2. Eligibility criteria are included in the MPSSAA Handbook and the MCPS High School Athletics Handbook.
3. Our team shall provide reasonable accommodations to students with disabilities.
4. A student may be excluded from trying out for or participating in a sport if it is determined that the student's participation will cause danger (for the student or for other students), creates significant safety concerns (for the student or other students), competitive imbalances, or requires accommodations that fundamentally alter the nature of the sport.

Thompson Boat Center & Other Practice or Racing Sites

Team members shall obey the rules of Thompson Boat Center and other marinas, clubs and facilities the team visits and shall refrain from any conduct disruptive to the facility or other participants/visitors.

Safety Guide

Students and parents must read the B-CC Crew Safety Guide on the B-CC Crew website and comply with all safety rules and procedures. **Full compliance with all safety rules and procedures is a necessary part of the sport of rowing and is a condition for participation on B-CC Crew.**

School Residency Policy

B-CC Crew requires that all team members attend Bethesda-Chevy Chase High School.

Fundraising Commitment

As a club sport, B-CC Crew receives no financial support from the school or the county school system. Thus, the responsibility to run a safe, well-supervised, and competitive program rests with B-CC Crew Boosters, Inc.. Each team member of each team family is expected to participate fully in the fundraising events planned for the season, including but not limited to Holiday Wreath and Candle Sales and Raffles. Parents of students who do not participate in each of the fundraising events planned for the season, including but not limited to Holiday Wreath and Candle Sales and Raffles, will be asked to contribute an appropriate amount toward those team fundraisers.

Volunteering Commitment

Volunteerism is the cornerstone of B-CC Crew's success. Without parents, competitive scholastic racing would not exist. A wide range of volunteer jobs is available throughout the year and each family's help is needed. Each team family must commit to volunteer jobs throughout both the fall and spring seasons. In addition, each family is expected to make several contributions of food, supplies and/or services at regattas and team dinners.
